**Job Opening**  
**Service Technician - Accurate Machine Tool Services**

Are you a self-starter who likes working independently? Do you enjoy going out to different shops instead of being within the same four walls every day? This role offers local travel, time working directly with customers, and the ability to be home at night. Just solid work and a schedule that lets you make it home for things like your kid's baseball game.

Accurate Machine Tool Services in Franklin, Wisconsin, has been serving Wisconsin manufacturers for more than ten years, and our growth continues to come from one simple thing. We show up, we do the work the right way, and we take care of our customers. That same approach carries through to our team, and we are looking for a Service Technician who shares those same values.

#### **ABOUT THE ROLE**

You will diagnose, repair, and maintain CNC machine tools for our customers throughout Wisconsin and northern Illinois. As a dealer for new CNC equipment, you will also work closely with our team to set up and install new machines on customer shop floors. Every day brings a mix of mechanical and electrical troubleshooting, hands-on work with shop owners and operators, and ensuring their equipment stays productive. The work is consistent, the environment is supportive, and you are trusted to do your job well.

#### **WHAT YOU BRING**

Three Years of Experience in CNC Machine Repair or a Related Service Technician Role

Strong Mechanical and Electrical Skills

A Calm and Confident Approach to Solving Problems

A Valid Driver's License

Pride in Your Work and Genuine Care for the People You Are Serving

#### **WHAT WE OFFER**

- Forty Hours Each Week with Paid Overtime
- No Weekends
- Paid Vacation
- 401 K
- Health Insurance
- Company Vehicle
- Salary Is Negotiable and Based on Experience
- Local Travel Only in Wisconsin and Northern Illinois

#### **WHY ACCURATE MACHINE TOOL SERVICES?**

We are a small, family-minded company where people genuinely look out for each other. You are never just a name on a schedule here. You are part of a team that has built its reputation through hard work, honesty, and transparency. If you want to be part of a team that stands behind you the same way we stand behind our customers, we would be proud to have you.

**Apply today and take the next step with Accurate Machine Tool Services.** Apply online at [AccurateMachineToolServices.com/employment](http://AccurateMachineToolServices.com/employment) or email your resume to [sthompson@accuratemts.com](mailto:sthompson@accuratemts.com).
